ABOUT THE COACH

When you talk about a man who lives and breathes tennis, you're talking about Centenary College's Jimmy Harrison. Coach Harrison is the men's **and** women's tennis coach at Centenary.

The 59-year old Shreveport native took over the reins as Centenary's first full-time tennis coach during the summer of 1979. Since his inaugural season he has guided the Ladies to six top ten finishes in the AIAW and NAIA National Tennis Championships.

Harrison is known as a disciplinarian who demands hard work from his players, but at the same time works hard himself. He is best known for his intensity on the court and good humor off. He involved his whole family in tennis, and they travel together whenever possible.

A 1951 graduate of Louisiana Tech, Coach Harrison took an interest in tennis when his kids began playing. His first tennis job was at Byrd High School in 1969. In eight years he built one of the finest tennis programs in the South. His teams won 102 dual matches and lost only seven. They won five state championships and finished second three times.

Harrison was a football star at Byrd in the mid-1940's and enrolled at Centenary in 1946 to play football. However, the Gentlemen dropped football the following season, and in 1948 he transferred to Louisiana Tech, where he was an All-American halfback and was voted the Best All-Around Athlete in 1949.

His mother, Lucy Vinson Harrison, and his father-in-law, Pat Malloy, also attended Centenary. His wife Jeannine is also a lifetime Shreveport resident. They have five children--Vickie, Valerie, Mark, and twins Pat and Pattie.

The Harrison family was selected the ''Tennis Family of the Year'' for 1988 by the Louisiana Tennis Association. All five of the Harrison children played college tennis and are still actively involved in the sport: Vickie participates in the Riverside tennis program; Valerie coaches at Caddo Magnet High; Mark handles Centenary junior tennis; Pat is currently on the UTSA professional circuit; and Pattie is the assistant coach at Centenary.

ASSISTANT COACH

Pattie Rosskopf joins the Centenary staff as assistant tennis coach this year. She played collegiately (1982-1985) at Ole Miss and LSU. At Ole Miss her first two years, she played #1 on the 8th ranked team in the nation, while earning a spot on the Southeast Regional team as a sophomore. At LSU, Rosskopf captured the #2 Southeastern Conference (SEC) doubles championship as a senior.

Rosskopf graduated from Captain Shreve High in 1981, ranked 5th in the South in singles and 10th in the nation in junior tennis doubles (1979) while teamming with Mary Boggs.

Before coming to Centenary, Rosskopf was the assistant tennis pro at Bocage Tennis Club in Baton Rouge (1986-87). She is a certified USPTA member and official.

Pattie, 24, is married to Erik Rosskopf, who swam collegiately at LSU and participated in the 1984 Olympics in Los Angeles.
